Integrative Acupuncture & Oriental Therapeutics
Consent to Treatment Form

By signing below, I do hereby voluntarily consent to be treated with acupuncture and/or substances from the Oriental Materia Medica by Isaac Hendler, licensed acupuncturist. I understand that acupuncturists practicing in the state of Oregon are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this clinic's practitioners.

Acupuncture/Moxibustion: I understand that acupuncture is performed by the insertion of needles through the skin or by the application of heat to the skin (or both) at certain points on or near the surface of the body in an attempt to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I am aware that certain adverse side effects may result. These could include, but are not limited to: local bruising, minor bleeding, fainting, pain or discomfort, and the possible aggravation of symptoms existing prior to acupuncture treatment. I understand that no guarantees concerning its use and effects are given to me and that I am free to stop acupuncture treatment at any time.

Cupping: I understand that I may be asked to have cupping therapy administered as part of my treatment to increase blood flow to the painful area. I understand that bruises and or discoloration usually follow treatment and may last up to two weeks.

Chinese Herbs: I understand that substances from the Oriental Materia Medica may be recommended to me to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I understand that I am not required to take these substances but must follow the directions for administration and dosage if I do decide to take them. I am aware that certain adverse side effect may result from taking these substances. These could include, but are not limited to: changes in bowel movement, abdominal pain or discomfort, and the possible aggravation of symptoms existing prior to herbal treatment. *Should I experience any problems, which I associate with these substances, I should suspend taking them and call the Integrative Acupuncture & Oriental Therapeutics Clinic as soon as possible.*

Acupressure/Tui-Na Massage: I understand that I may also be given acupressure/tui-na massage as part of my treatment to modify or prevent pain perception and to normalize the body's physiological functions. I am aware that certain adverse side effects may result from this treatment. These could include, but are not limited to: bruising, sore muscles or aches, and the possible aggravation of symptoms existing prior to treatment. I understand that I may stop the treatment if it is too uncomfortable.

Far Infrared Heat Lamp: I understand that I may be asked to have heat lamp therapy administered with the acupuncture. I am aware that certain adverse side effects may result. These may include, but are not limited to: pain or discomfort, minor burns causing dry or red skin and the possible aggravation of symptoms existing prior to treatment. I understand that I may refuse this treatment.

I understand that there may be other treatment alternatives, including treatment offered by a licensed physician.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation. I give my permission and consent to treatment.
